

Refrigerator Deodorizer & Freshner

by **Advanced PureAir**
state-of-the-art air purifiers

KILLS BACTERIA & MOLD

FIGHTS SMELLY ODORS

KEEPS FOOD FRESH

SAVES ON FOOD BUDGET

LED INDICATOR LIGHT

ALSO WORKS IN CLOSETS & CABINETS

Features:

- **Activated Oxygen Technology** - Uses safe, non-toxic activated oxygen/ozone to keep your refrigerator fresh and clean by fighting odors and destroying dangerous bacteria and mold.
- **Prolongs Food Life** - Unlike traditional baking soda which simply absorbs odors, this unit actually kills bacteria and mold which keeps your food fresher longer.
- **Also Great for Closets & Cabinets** - In addition to being great in the refrigerator, the unit is also ideal to keep cabinets and closets smelling fresh and clean.
- **Battery Operated** - Operates on 4 C 1.5v batteries that last up to 4 months of continuous operation. When the batteries run, down just replace them and your unit is ready to deodorize and freshen your refrigerator all over again just like new.
- **Flashing LED Indicator** - Lets you know the unit is working properly and when it's time to change the batteries.
- **Color Options** - Available in orange or white.

Specifications:
